GLACIER PARK SHUTTLE DRIVER 2008

NATURE OF WORK:

Drive passenger buses/vans to transport visitors throughout Glacier Park. Riders will be general public plus persons with disabilities. Drivers must exercise caution and be alert when transporting the public. Must deal with passengers in a pleasant and courteous manner, and drive safely in a variety of weather and traffic conditions. Work is reviewed for adherence to time and route schedules, safe operation and care of equipment, and passenger safety and satisfaction. Drivers have frequent contact with the public.

EXAMPLES OF DUTIES:

- Operate a 10 to 30 passenger, radio-equipped van or bus in transporting general public or persons with disabilities on defined routes.
- Perform visual inspection and operational safety check of assigned vehicle; keep alert for mechanical and other equipment problems requiring attention; report repair needs; report traffic hazards, accidents, and other conditions requiring attention; gas-up vehicles; clean buses/vans as needed.
- Ensure any deficiencies noted in the inspection are corrected.
- Record required operating data, e.g. passenger count, as required.
- Ensure passenger safety by enforcing rules of conduct and operation; check bus/van for lost items and report same.
- Ensure safe transportation of persons with disabilities and others with special needs.
- Report accidents or incidents, no matter how minor, to the supervisor; and report any accident involving death, personal injury, or property damage of more than \$250 to the proper civil authorities.
- Ensure all packages and other loose objects are out of the aisle way and secured to prevent personal injuries from flying objects.
- Maintain patience, courtesy, and understanding in dealing with all passengers.
- Proficiency in operation of lifts, wheelchairs, radios, and other special equipment, as well as a variety of vehicles, vans, and buses.
- Regular attendance at drivers' meetings and training programs.
- Close communication with driver instructor, dispatcher, and operations lead.
- Pride in appearance and maintenance of vehicles.
- Perform related work as assigned.

SELECTION FACTORS:

Knowledge of:

- all State and local traffic laws and regulations
- methods and capability of performing a basic pre-trip vehicle inspection to assure bus/van is in safe operating condition
- knowledge of First Aid, CPR and basic Passenger Service and Safety (training available)

Ability to:

- deal with the public in a pleasant and courteous manner
- demonstrate ability to assist persons with disabilities and in wheelchairs
- display a high degree of skill in all operations of the bus

Applicant must possess:

- current Commercial driver's license with passenger endorsement
- have a driving record verified by Montana Highway Patrol Request form
- have an Eagle Transit approved physical examination. A copy of the doctor's report must be submitted to the manager
- have a current First Aid card and CPR certification or be willing to obtain certification when the class is offered in the area
